Historic Preservation Committee  
Meeting Minutes  
July 10, 2019

Call to Order: Meeting was called to order at 6:30 P.M.

Attendance:  
Mary Gogc  
Dana Jerabek  
David Porter, Village Administrator  
Randy Oliphant, Village Trustee

Public Participation: None.

Old Business:  
a. There was discussion on the partnership that the Historical Preservation Committee has with the Winneconne Historical Society as described in the village ordinances. Randy will ask the Historical Society to identify a small number of historical buildings or sites that they would like to see promoted with new signage.

b. Downtown façade program was revisited and discussed. Randy and the Village Administrator will review the program details and look for opportunities to promote the program. One avenue may be reaching out to the Chamber of Commerce. Dana will resume her communication with the high school instructor that is working with the students on building designs. The Historical Preservation Committee considers the village downtown façade program an important asset to the village and would like to see the business or building owners involved.

c. It was noted that the former floral shop building and the tan brick building at the intersection of E. Main Street and N. 2nd Avenue are vacant. The committee discussed the potential uses of the historic buildings. They could be locations where an entrepreneurship program be piloted between the high school leadership class or local college and a business-minded mentor.

New Business:  
a. There are two vacancies on the committee. The committee members will reach out to the community to fill these vacancies.

Next Meeting: The committee set the next meeting date as August 14th at 6:30 P.M. The meeting will be held in the 2nd Floor Community Room of the Village Municipal Center.

Respectfully submitted,

Randy Oliphant  
Village Trustee
